

DATA SHEET 500W MODULAR

FLJX500 Outdoor IP66 500W LED Flood Light

led floodlight
Type LED Flood light
Model FLJX500

Watt: 500
Efficiency 130-150lm/w
Specification 402.6*599.3*109.3mm
Material Aluminum+PC

Color Gray

FLJX500 Outdoor IP66 500W LED Flood Light

Materials:

Structure: Die casting ADC12

Finish: Powder coated

Lens: Polycarbonate

Features:

Model	FLJX500
Wattage	500W
Light efficacy	150lm/w
Lumen	75000lm
Voltage	100-277VAC
Certificates	ETL cETL CE RoHS
Dimmable	
IK	IK08
Surge Protection	4KV/10KV
Optional Function	
IP grade	IP66
Power Factor	>0.95
Beam angle	15/30/60/90/70*140°
Shell Color	Gray
Size	670*455*170mm
N.W	8.6KG

Warranty

IP66 waterproof

270degree rotate bracket

50,000 hours lifetime

Application:

Building Appearance Lighting and Landscape Lighting

Marking and Indicative Lighting

Indoor Space Display Lighting

Tunnel and road lighting

Gymnasium stadium lighting

Luminance Intensity Distribution
